Novum explores the sound world of composer Kitty Xiao from 2013 to 2016. Her works for flute/alto flute/bass flute/bass clarinet, violin and piano explore new expression for piano trio and evoke images of renowned Australian photographers Jane Brown and Narelle Autio. The works explore themes of human potential in face of itself and the world.

All works are composed by Kitty Xiao, and performed by Nimbus Trio:
Jessica Laird (flute, alto flute, bass flute),
Cameron Jamieson (violin),
Kitty Xiao (piano)
and guest artist Luke Carbon (bass clarinet)

The pieces were composed during 2013 - 2016 and recorded at
Move Records studio, Melbourne in 2016
