In 2002, Tony and I recorded *Tomorrow, Just You Wait and See* in the peaceful surrounds of Martin Wright's recording studio. Since then we have been lucky enough to revisit this place several times to record some of our favourite songs.

I am delighted to share this music with you now.

Home and family have been the focus of my life over the past few years, having had two babies in two years and immersing myself in motherhood. Many of the songs you will hear on this album reflect this special time in my life. *The Rainbow Connection*, *You Are My Sunshine*, and *Que Sera* are songs I learnt as a child, and are now some of the songs I sing to my own babies. I hope you will enjoy our interpretations of these timeless compositions.

I would like to thank Tony Gould for having faith in me and for his beautiful playing on this recording. As always.

I would also like to thank Martin Wright for allowing us to make this CD, Luci Everett for her artwork and Anna Altmann for allowing us to record her song, *Under the Redwood Tree*.

I hope you will enjoy listening to this gentle album time and time again.
